

Join our volunteer efforts to invest in a once-in-a-generation enhancement and refurbishment of Iroquois' cenotaph acknowledging our local veterans who served for our freedoms.

After a successful project restoring the Matilda Hall Cenotaph in 2018, volunteers are continuing their work to restore and enhance local South Dundas cenotaphs with this Iroquois cenotaph project.

If fundraising is successful, construction is scheduled to begin in mid-2022, with completion before Remembrance Day services in November.

The estimated cost of refurbishing the cenotaph, bronze plaques, and constructing the new site in front of the Iroquois Civic Centre is budgeted for \$120,000. New lighting, landscaping, and new flag poles are included as well.

Your support is vital to ensure this tribute to our veterans can move forward. 100% of the proceeds from the purchase of walkway stones go towards this project. **Tax receipts are provided. Business and other donation opportunities are available as well (please contact us directly).**
