

**THE CORPORATION OF THE MUNICIPALITY OF SOUTH DUNDAS**

**BY-LAW NO. 2024-84**

**BEING A BY-LAW TO RESCIND BY-LAW NO. 2022-115;**

**WHEREAS** the Municipality of South Dundas adopts By-law No. 2024-84 being a By-law to provide and regulate a Waste Management System for the Municipality of South Dundas.

**WHEREAS** the *Municipal Act, 2001*, as amended, provides that a Municipal power shall be exercised by By-law unless the Municipality is specifically authorized to do otherwise;

**AND WHEREAS** the *Municipal Act, 2001*, as amended, authorizes a Municipality to pass by-laws respecting matters within the sphere of waste management;

**AND WHEREAS** the Municipality of South Dundas deems it expedient to continue and expand their waste management system;

**AND WHEREAS** it is in the interest of the Municipality of South Dundas and its residents that the amount of waste material generated by citizens be reduced; that wherever possible such materials be re-used or recycled; that the environment be protected from contamination of hazardous substances;

**NOW THEREFORE** the Council of the Corporation of the Municipality of South Dundas enacts as follows:

**1. TITLE**

This By-Law shall be known and cited as the "**Municipality of South Dundas Waste Management Services By-Law**"

**2. DEFINITIONS**

As used in this bylaw, the following terms shall have the meanings indicated:

**2.1 AGRICULTURAL WASTE** means waste materials generated from farming and agricultural activities, including:

- a) Crop residues (stalks, leaves, stems)
- b) Spoiled or unused produce
- c) Animal manure and bedding
- d) Empty pesticide/fertilizer containers
- e) Used agricultural plastics (mulch films, greenhouse covers)
- f) Damaged farming equipment/tools
- g) Feed bags and packaging materials

**2.2 BIO MEDICAL WASTE** means bandages, dressings, drugs, medicines, needles, syringes, vaccines, vials and other similar materials or substances that contain or could reasonably be expected to contain pathogenic bacteria or micro-organisms or could reasonably be expected to be infectious, hazardous or dangerous.

### 2.3 BLUE BOX: ACCEPTED MATERIAL

- a) Glass Bottles and Jars used for food or drink
- b) Containers (with recycling symbol on bottom and numbers 1, 2, 3, 4, 5 & 7 only)
- c) Aluminium Pie Plates
- d) Foil, Rigid Foils
- e) Containers, Trays

### 2.4 BLUE BOX: NON-ACCEPTED MATERIAL

- a) Light Bulbs, Ceramics, Mirrors
- b) Window Glass, Pyrex
- c) Herbicide or Pesticide Containers
- d) Aerosol or Paint Cans
- e) Car Fluid Bottles
- f) Foil with Paper or Lamination

2.5 **BUILDING WASTE** means material generated within the Municipality of South Dundas that includes broken concrete, masonry, metal, wood, gypsum board (drywall) and other material resulting from the construction, alteration, repair, demolition, or removal of any building or structure from the Owner's Dwelling Unit only.

2.6 **BULKY/LARGE ITEM WASTE** means material generated within the Municipality of South Dundas that includes the following categories: weighty, bulky articles such as major appliances, carpet, bicycles and parts, discarded plumbing fixtures, fittings and pipe, refrigeration appliances display appropriate notice that appliance has been voided of all CFC's, furnaces, bed springs, mattresses, floor lamps, furniture, mattresses, bed springs, boxes, barrels, water tanks, pool filters; pool covers, solar blankets, and other such discarded material;

2.7 **CFC** means any refrigerant containing the following substances: Chlorofluorocarbon, Hydro chlorofluorocarbon or Hydro fluorocarbon.

2.8 **COMPOSTING** means the process of collection and depositing waste for the purpose of converting this waste into fertilizer for soil.

2.9 **COMPOSTABLE WASTE** means organic materials that can naturally breakdown (biodegrade) into nutrient-rich soil through the composting process. Compostable waste includes: kitchen/food waste, fruit and vegetables scraps, coffee grounds and filters, tea bags and loose tea leaves, eggshells, bread, grains, pasta, nutshells, etc.)

2.10 **CHRISTMAS TREES** means a natural Christmas tree without any tinsel or ornaments.

2.11 **COMMERCIAL GARBAGE (IC&I)** means material generated within the Municipality of South Dundas by Industrial, Commercial, Institutional business establishments such as all private sector businesses, places of worship, daycares, campgrounds (without

permanent or seasonal households), public facing and internal areas of municipal buildings/facilities, non-for-profit organizations.

- 2.12 CONTAINER means a receptacle, as more specifically defined in this By-law, for the purpose of collecting and disposing of the types of Garbage.
- 2.13 CONTAMINATED SOIL means material due to its nature of contamination must be land filled. This material cannot be classified as hazardous waste and must meet the guidelines of Ontario Regulation 347/12.
- 2.14 CONTRACTOR means the person, corporation or partnership performing refuse collection and haulage under contract with the Municipality.
- 2.15 CURBSIDE RESIDENTIAL WASTE means solid waste material generated by residential occupants and placed at the designated collection point adjacent to their property, including:
- a) Household Garbage
  - b) Kitchen and food waste
  - c) Non-recyclable packaging materials
  - d) Broken household items
  - e) Disposable diapers and personal hygiene products
  - f) Pet waste (properly bagged)
  - g) Residential cleaning waste
  - h) Other non-hazardous household waste
- 2.16 DWELLING UNIT means one or more rooms designed as a housekeeping unit, used or intended to be used as a residence by one or more person(s) and in which separate cooking, eating, living, sleeping and sanitary facilities are provided for the exclusive use of the occupants, with a private entrance from outside the building or from a common hallway or stairway inside the building.
- 2.17 ELECTRONIC WASTE means Waste Electrical and Electronic Equipment (WEEE) and shall include but not be limited to: computer peripherals including modems; printing devices; copiers; scanners; typewriters; telephones, cellular phones; PDAs and pagers; audio and video players; cameras; equalizers; amplifiers; radios; receivers; speakers; tuners; turntables; video players and projectors; video recorders; and personal handheld computers.
- 2.18 EXCAVATION WASTE means material generated within the Municipality of South Dundas that includes the following categories: brush, timber, clean lumber, rocks, bricks, gravel, sand, soil and other such material which is recognized by the Ministry of the Environment as being environmentally friendly landfill material.
- 2.19 GARBAGE – means any discarded material other than:
- a) Agricultural Waste
  - b) Bio Medical Waste
  - c) Bulk Waste
  - d) Building Waste
  - e) Commercial Residential Waste

- f) Household Hazardous Waste
- g) Leaf and Yard Waste
- h) Liquid Waste
- i) Recyclable Materials
- j) White Goods.

**2.20 GREEN BOX: ACCEPTED MATERIAL**

- a) Newspapers, Flyers
- b) Fine Paper, Box Board
- c) Paper Egg Cartons
- d) Toilet Paper and Toilet Paper Rolls
- e) Pizza Boxes
- f) Telephone Directories
- g) Corrugated Cardboard
- h) Paper Shredding (place in clear transparent bags)
- i) Magazines, Catalogues

**2.21 GREEN BOX – NON-ACCEPTED MATERIAL**

- a) Hard Covered Books
- b) Waxed or Coated Boxes
- c) Styrofoam, Plastic Handles
- d) Plastic Bags

**2.22 HOUSEHOLD HAZARDOUS WASTE** means any household product, material or item labeled as "corrosive", "toxic", "reactive", "explosive" or "flammable", and which is accepted under the Municipalities household hazardous waste program, if any, in effect from time to time including: paint, coatings and their containers, solvents and their containers, single-use dry cell, rechargeable and auto batteries, fuel tanks, pressurized containers, lawn fertilizers, pesticides and their containers, antifreeze and its container, empty lubricating oil containers, oil filters.

**2.23 HOUSEHOLD PET WASTE** means animal excrement generated by a domesticated animal that is not living on a farm or in a kennel.

**2.24 LEAF & YARD WASTE** means material generated within the Municipality of South Dundas that includes the following categories: organic material including yard plants and weeds, hedge and shrub trimmings, tree limbs having a diameter of less than 6 inches and length of not more than 1 meter (approximately 40 inches), lawn and garden cuttings, leaves, twigs and other compostable yard items.

**2.25 MUNICIPALITY** means the Corporation of the Municipality of South Dundas.

**2.26 MUNICIPAL GARBAGE BAG (with LOGO)** means a specially manufactured garbage bag affixed with the Municipal logo sold for the exclusive purpose of supporting waste management in the Municipality of South Dundas. The purpose of a Municipal Garbage Bag is to identify a garbage unit for collection and disposal within the Municipality of South Dundas. Cost of a bag shall be as listed in the Municipality's current Fees and Charges By-law.

**2.27 OWNER** means a person who has legal possession and control over a property, including those who hold the title to the property; manage the property; collects rent from the property; have the right to sell or transfer the property.

- 2.28 **PUBLIC PROPERTY** means any property owned by the Municipality or by Her Majesty the Queen in right of either Canada or Ontario and includes both the traveled and untraveled portions of all highways as defined in the *Highway Traffic Act*, as amended, that are located in the Municipality.
- 2.29 **RESIDENTIAL CONSTRUCTION DEBRIS** means materials generated in South Dundas by an owner during renovation, or demolition projects.
- 2.30 **RECYCLABLE MATERIALS** means materials that can be collected, processed, and manufactured into new products instead of being thrown away as waste. Recyclable materials need to be clean and free from food, properly sorted according to the material type, not mixed with non-recyclable materials.
- 2.31 **RESIDENTIAL GARBAGE** – Garbage generated from a Dwelling Unit.
- 2.32 **SCAVENGING** – means the unauthorized collection, recovery, or removal of any designated waste material, recycling material, or refuse that has been placed for collection at curbside, in containers, or at designated waste collection points, by any person other than:  
a) Authorized waste attendant  
b) The original waste generator  
c) Persons explicitly authorized by South Dundas
- 2.33 **SCRAP METAL** – Any worn, cast-off, discarded, or surplus ferrous or non-ferrous metal materials that are no longer useful in their original capacity; and metal materials that are capable of being recycled or reprocessed to create new metal products. includes but is not limited to:  
a) metal bicycles;  
b) metal bed frames;  
c) metal fencing/posts;  
d) metal filing cabinets;  
e) hot water tanks;  
f) metal sinks;  
g) nuts/bolts/nails/screws;  
h) passenger vehicle tire rims;  
i) metal desks;  
j) metal shelves;  
k) metal lawnmowers;  
l) metal no longer than 3 metres (approximately 9.8 feet) in length;  
m) aluminum siding;  
n) automotive parts;  
o) pipe fittings; and  
p) barbeques, excluding propane tanks.
- 2.34 **STREET** – shall mean any public highway, road, street, lane, alley, square, place, thoroughfare or way within the Municipality of South Dundas.
- 2.35 **TIPPING FEE** – shall mean the charge levied by the Municipality at the Matilda Landfill Site for disposable Waste under the terms of this By-law.
- 2.36 **UNACCEPTABLE WASTE** – shall include, but not be limited to:  
a) Bio Medical Waste  
b) Agricultural Waste  
c) Building Waste

- d) Commercial waste
- e) Industrial waste
- f) Bulk Waste
- g) Household Hazardous Waste
- h) Industrial, commercial and industrial Waste
- i) Liquid Waste
- j) Recyclable Materials
- k) White Goods

2.37 WHITE GOODS – means typical steel appliance:

- a) air conditioners
- b) window mounted and central air systems
- c) clothes dryers
- d) dishwashers
- e) hot water tanks, drained
- f) microwave ovens
- g) ovens
- h) pool heaters
- i) stoves
- j) water pressure tanks;

2.38 WOODWASTE –that is wood or a wood product, including tree trunks, tree branches, leaves and brush; pressure treated wood, and from which easily removable hardware, fittings and attachments, unless they are predominantly wood or cellulose, have been removed; but does not include; an upholstered article, or an article to which a rigid surface treatment is affixed or adhered, unless the rigid surface treatment is predominantly wood or cellulose.

2.39 TRANSIENT WASTE means any refuse, trash, or garbage carried into the Municipality of South Dundas from outside its boundaries by any person.

2.40 WASTE DISPOSAL ATTENDENT means an employee of the Municipality responsible for the operation of the Waste Disposal Site, under the direction of the Municipality of South Dundas.

2.41 WASTE DISPOSAL SITE means the site as described in Schedule "A".

### **3. COLLECTION**

3.1 The Municipality shall provide all necessary equipment and labor for the regular and satisfactory curbside residential waste collection from all dwelling units in accordance with the terms of this By-law.

3.2 As of January 1, 2025, South Dundas' recycling program will be managed by Circular Materials, a national not-for-profit organization that is committed to building an efficient and effective recycling system in Ontario. They can be contacted for replacement recycling bins, missed collection and any other recycling questions as described on the Municipal website.

3.3 No person shall place for collection any garbage in front of any address except the address at which the garbage is generated.

3.4 No person shall place for collection and the Municipality shall not collect the following curbside residential waste material which is deemed not acceptable for collection:

- a) Bio Medical Waste

- b) Agricultural Waste
- c) Building Waste
- d) Commercial waste
- e) Industrial waste
- f) Bulk Waste
- g) Household Hazardous Waste
- h) Industrial, commercial and industrial Waste
- i) Liquid Waste
- j) Recyclable Materials
- k) White Goods
- l) any accumulation of an unreasonable amount of garbage as determined by the Municipality of South Dundas;
- m) any material that may from time to time be considered by the Municipality as dangerous or hazardous or that is not acceptable in the Disposal Site under any Act or Regulation of the Provincial or Federal Government, or any material which may be defined by the Municipality from time to time as being unacceptable for collection.
- n) Waste not prepared for collection according to the requirements of this By-Law.
- o) any garbage that has not been put for collection in conformity to the provisions of the By-law.

3.5.1 All recyclable waste shall be separated from non-recyclable waste. Recyclable waste shall be prepared for collection as follows:

- a) In rural areas, residential waste shall be placed on the same side of the road as the mailbox to increase efficiencies for collection.
- b) Waste defined in Section 2.3 shall be placed in a blue box. Glass bottles and jars shall be rinsed and their tops removed. Metal cans shall be rinsed. Plastic bottles and jars shall be rinsed and their tops removed.
- c) Waste defined in Section 2.20 shall be placed in a green box. All cardboard and cardboard shall be broken down and tied together.

3.5.2 Waste defined in Section 2.24 shall be placed in a reusable collection container or a brown kraft paper yard waste bag.

### **3 CONTAINERS**

4.1 The occupant of every dwelling unit shall provide adequate containers for the storage and collection of waste. Containers shall be as follows:

- a) a standard non-returnable plastic bag of a capacity of not more than zero point zero eight cubic metres (0.08m<sup>3</sup>) and strong enough (not less than 1-1/2 mil gauge material) to hold 23kg (50lbs) of contents without tearing;
- b) a standard 120 L hard sided plastic garbage container, weight shall not exceed 23kg (50lbs), lids attached with the contents securely tied when set out for collection. Furthermore, Garbage placed in a container must be contained in a plastic bag(s), not loose in the container.

4.2 The containers as described for this By-law, which are put out for

- collection, shall not exceed two (2) in number weekly.
- 4.3 Containers in excess of two (2) in number shall be placed in a bag as per Section 2.26.
  - 4.4 Recyclable waste based on its composition may be placed in a "Blue Box" or "Green Box" by the roadside for collection.
  - 4.5 All garbage shall be adequately drained of liquid and securely wrapped or placed in a container used solely for this purpose. Containers shall be placed for collection by the side of the road in front of the location where it has accumulated, and as close as practicable to the driving surface of the designated route unless specified elsewhere by the Municipality. Garbage will not be collected from roadside ditches, or on top of snowbanks.
  - 4.6 Broken glass must be wrapped and clearly marked to prevent injury.
  - 4.7 Cold ashes must be placed in plastic bags and not mixed with garbage or flammable waste.
  - 4.8 Plastic non-recyclable jugs may be tied together (3 or more).
  - 4.9 Special consideration to householders upon completing a Home Health Care Waste application, and receiving approval for disposable diapers and incontinence products with respect to the following items:
    - a) residents with medical conditions generating excessive waste, and;
    - b) households qualifying for special consideration are given no more than twenty-six (26) bags per year;
    - c) residents are required to file an annual application form with the health care provider's signature as per the application form in Schedule "D".
  - 4.10 Agricultural Waste defined in Section 2.1 shall not be accepted. If any farming operation includes a residential home, the property owner shall not exceed two (2) bags weekly. The resident or owner can submit a request, outlined in Schedule E, to the Municipality to permit a maximum of four (4) bags to be collected at the curb weekly.

## **5. ADMINISTRATION**

- 5.1 The Municipality shall operate a system for the collection, removal and disposal of waste in accordance with the provisions of this By-law.
- 5.2 Electronic waste shall be disposed of at the locations according to Schedule "A" and shall be the responsibility of every owner to make adequate arrangements for the disposal of waste identified in Sections 2.17
- 5.3 Hazardous waste shall be disposed of at the location designated in Schedule "B" and shall be the responsibility of every owner to make adequate arrangements for the disposal of waste identified in Sections 2.22 Household Hazardous Waste

- 5.4 It shall be the duty of the Municipality of South Dundas to administer and enforce the provisions of this By-law.
- 5.5 All property owners must separate garbage and recyclables.
- 5.6 The collection of recyclable materials may be made once in every seven (7) days from each dwelling unit entitled to such service in accordance with the provisions of this By-law except when a normal collection day falls on a holiday as provided herein.
- 5.7 The collection of garbage may be made at least once in every seven (7) days from each dwelling unit entitled to such service in accordance with the provisions of this By-law except when a normal collection day falls on a holiday as provided herein.
- 5.8 The collection of yard waste materials shall be at the discretion of Council each year, collection options for consideration may include weekly, bi-weekly, or seasonal collection from each dwelling unit entitled to such service in accordance with the provisions of this By-law except when a normal collection day falls on a holiday as provided herein.
- 5.9 No collection may be made on the following holidays which fall on a normal collection day, unless the Director, CAO, or the Municipality's Council deem it necessary: New Year's Day, Good Friday, Victoria Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, Christmas Day and Boxing Day.
- 5.10 When a normal collection day falls on a holiday, the collection shall be made one (1) day later for the remainder of the week, but in no case shall the change in schedule result in a collection not being made for a period greater than eight (8) days.
- 5.11 The Contractor may wish at their discretion to pick up on a holiday. This decision will be made in conjunction with the Municipality of South Dundas.
- 5.12 A collection schedule will be made available at the Municipal Office and on the Municipality's website, social media and on the Phone and Web Application- Recycle Coach.
- 5.13 No person shall place garbage out for collection except in accordance with this By-Law.
- 5.14 The collection system is a "roadside collection service" on public roads for collection at ground level and garbage shall be placed for collection in accordance with the following:
- a) public roads with concrete curbs – place collectibles directly behind the curb;
  - b) public roads with concrete sidewalks tightly abutting the curb place collectibles directly behind the sidewalk on property owner's side;
  - c) public roads with boulevards between sidewalks and curbs – collectibles to be placed directly on the road shoulder.
  - d) public roads with gravel road shoulders – collectibles to be

- placed directly on the road shoulder;
- e) where collection is provided in public land or alleyway – collectibles to be placed as close as possible to the edge of the land or alleyway;
  - f) public rural roads on the same side as the mailbox directly on the road shoulder, not obstructing the mailbox or mail delivery.
- 5.15 No person shall place collectibles to impede or obstruct pedestrian and vehicular traffic or maintenance operations.
- 5.16 Where, for any reason, collection of garbage cannot be made from the location specified in this Section 5, items to be collected pursuant to this By-law shall be placed at locations designated by the Municipality of South Dundas and their decision shall be final.
- 5.17 During normal daytime collection, all items to be collected shall be put out prior to the starting time of collection, 7:00 am, but not earlier than 6:00 pm on the previous evening.
- 5.18 For the purpose of garbage collection, the Municipality of South Dundas may direct that the Municipality be divided into as many collection zones or districts as may be deemed necessary for the convenient collection of garbage and may fix a day or days on which the same shall be collected in the said districts.
- 5.19 All garbage placed for collection in a manner not provided for by this By-law shall not be collected. All such garbage not collected must be removed from the front of the premises not later than 8:30 p.m. of the day on which it was placed for collection.
- 5.20 On any day designated by the Municipality for the collection of garbage, no more than 2 bags per dwelling unit of garbage shall be set out for collection by the Contractor.
- 5.21 Property owners and occupants are responsible for removing all construction and renovation debris from the premises.
- 5.22 No person shall dump, place, leave or deposit any household garbage or refuse in any public place or on any land not owned by them within the Municipality, if proven, persons found guilty of dumping refuse on public or private land will be subject to penalties as outlined in Section 11.
- 5.23 Collection may be refused to any person known to have a troublesome dog on the premises, unless such dog is safely secured at a reasonable distance away from the location of the garbage receptacle.

## **6. OBLIGATIONS OF RESIDENTS**

- 6.1 Every resident shall participate in the Municipal recycling program and are encouraged to actively reduce waste.
- 6.2 No person shall place recyclable material together in the same container with garbage for collection. Blue Box and Green Box defined materials in Sections 2.3 and 2.19 shall be placed

separately in a container for recyclable material (blue or green box, if possible).

- 6.3 Wherever possible residents shall be encouraged to maintain and use a viable leaf and yard waste program for larger yard works and dispose of at the locations as per Schedule "C".
- 6.4 Residents/owners who have accumulated yard waste, shall transport and deposit same at designated areas. All materials shall be removed from their container or plastic bag. Materials in a kraft paper bag may remain.
- 6.5 The removal of CFC's from refrigeration equipment (refrigerators, freezers, air conditioners, etc.) shall be conducted by a licensed mechanic and shall be evidenced by the placement of appropriate notice by the licensed mechanic upon the refrigeration equipment prior to delivery to the Disposal Site.
- 6.6 Items with CFC's removed may be disposed at the site as per Schedule "A".
- 6.7 Refrigeration equipment (refrigerators, freezers, air conditioners, etc.) not containing evidence of CFC removal from a licensed mechanic may be disposed at the site as per Schedule "B".

## **7. MUNICIPAL WASTE DISPOSAL SITE**

- 7.1 The area designated as a Municipal Waste Disposal Site is outlined in Schedule "A" attached to this By-Law.
- 7.2 No person shall use any lands within the Municipality of South Dundas for the purposes of a waste disposal site except lands designated for such use by the Municipality.
- 7.3 The Municipal Waste Disposal Site shall be operated and maintained by the Municipality in accordance with the terms and conditions of the Site Certificate of Approval, the provisions of this By-law and the requirements of the Ministry of the Environment.
- 7.4 Notwithstanding any other penalty or remedy of law available to the Municipality, the owner, occupant, lessee or person using any structure or lands within the boundaries of the Municipality for dumping or disposing of garbage, refuse, industrial waste, hazardous materials or waste of any kind where such lands or structures are not designated as a waste disposal site, shall upon written notice served by the Municipality cease using such lands or structures for such purposes and to remove or cover such garbage, refuse, industrial waste, hazardous materials or other waste in the manner as may be prescribed by the Municipality.
- 7.5 Tipping fees shall be required for the disposal of garbage at the waste disposal site. Fees shall be charged in accordance with the Fee Schedule attached.
- 7.6 Each residential load shall be charged a tipping fee that is payable by the Municipality of South Dundas.

## **8. HOURS OF OPERATION OF THE WASTE DISPOSAL SITE**

- 8.1 The Municipal Waste Disposal Site shall be open for the disposal of garbage and other permitted materials in accordance with the times and locations set out in Schedule "A" to this By-law.
- 8.2 Notwithstanding the provisions of Section 8.1, public access to the Municipal Waste Disposal Site shall be restricted to those times when a Municipal Waste Disposal Attendant is on duty and in attendance at the site.
- 8.3 No person shall trespass on the Municipal Waste Disposal Sites except as is required to transfer material to the site in accordance with this By-law, or as is necessary to conduct lawful business with the Municipality during the designated hours of operation of the Waste Disposal Site in the presence of the Waste Disposal Attendant or other official.

## **9. GENERAL PROVISIONS**

- 9.1 No person shall dispose of, or cause to be disposed of, garbage at the Municipal Waste Disposal Site that originates or is generated from a location or use outside of Municipal boundaries.
- 9.2 Persons shall dispose of permitted garbage at the Municipal Waste Disposal Site in accordance with the directions of the Waste Disposal Attendant and in accordance with the provisions of this By-law.
- 9.3 All garbage to be disposed of at the Municipal Waste Disposal Site shall be bagged, bundled, boxed securely wrapped or placed in containers and all non-recyclable paper shall be suitably wrapped or tied to prevent scattering on the site.
- 9.4 Garbage conveyed to the Municipal Waste Disposal Sites shall be so contained and transported as not to be blown or scattered from the transport vehicle or to leave deposits along road allowances and abutting lands.
- 9.5 No person shall offer to, or give, any Waste Disposal Attendant any fee or gratuity for services provided by the Municipality, nor shall any Waste Disposal Attendant accept any fee or gratuity.
- 9.6 Persons who desire to access the Municipal Waste Disposal Site shall pay the Tipping Fee for each load, upon entry.
- 9.7 The Waste Disposal Attendant shall be and is hereby authorized to refuse access to the Municipal Waste Disposal Site by any person who is in contravention of any provisions of this By-law, as may be reasonably determined by the Attendant. All persons refused access or use to the waste disposal site shall be referred to the Municipal Office by the Attendant to review the grounds of such access refusal, such grounds to be provided to that person by the Attendant.
- 9.8 No person shall pick over, interfere with, remove or scatter any materials in the area of the Waste Disposal Site.
- 9.9 The Municipality of South Dundas may change the items in Sections 2 at any time they deem it necessary.

**10. SCAVENGING**

10.1 No person shall pick over, interfere with, remove or scatter any garbage, after the same has been put out for collection.

**11 PENALTIES**

11.1 Every person who contravenes any of the provisions of this By-law shall upon conviction thereof, forfeit, and pay a penalty not exceeding (exclusive of costs) the sum of \$1,000.00 for each such offence, and such penalty shall be recoverable under the *Provincial Offences Act*.

11.2 The imposition of a penalty for a contravention of this By-law shall not excuse the condition or matter resulting in such contravention or permit it to remain or continue, and the person who has contravened the by-law shall rectify any condition or matter resulting therefrom. Where a person fails or defaults to carry out any direction or action required by the Municipality as authorized by this By-law, upon reasonable and written notice, the Municipality may proceed to do such things or carry out such actions as directed at the expense of the person and such expense may be recovered by the Municipality in a like manner as taxes in accordance with the provisions of the *Municipal Act, 2001*.

11.3 Any resident responsible for concealing **HAZARDOUS WASTE** in his or her garbage will have their collection terminated and will be subject to a fine of up to \$1,000 and to any other Provincial regulations that apply.

11.4 Should any Section, clause or provisions in this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of this By-law shall not be affected.

**12. EFFECTIVE DATE**

12.1 That By-law No. 2020-33 and 2022-115 be repealed in its entirety.

**READ** and passed in open Council, signed and sealed this 11th day of December 2024.
