1. Coronavirus (COVID-19) Update from Dr. Paul Roumeliotis

Dr. Paul Roumeliotis provided an update concerning COVID-19, stating that total infections have risen above 9.3 million, with over 475,000 deaths recorded globally. He noted that Ontario has 33,636 cases and 2,654 deaths with a total of 29 cases in SDG. He noted that the EOHU has recorded 11 deaths due to COVID-19.

He noted status from Windsor, Peel and The City of Toronto regarding Stage Two, daily case load, and impact on Ontario's overall daily case rate. He highlighted that Peel Region and the City of Toronto would be moving to Stage Two on Friday, June 26, 2020.

He provided clarification regarding beaches, yard sales, drive-ins, and inter-provincial travel. He noted testing is ongoing, with over 21,000 tests completed yesterday across the province.

Dr. Paul Roumeliotis provided an overview of Stage Three, noting it was dependent on case rate, testing and contact tracing. He noted possible changes with Stage Three include indoor recreation, indoor dining, and an increase in group size.

2. Coronavirus (COVID-19) Update

CEMC Morehouse provided an overview of the Zoom meeting with Dr. Paul Roumeliotis noting high case numbers in the United States, Brazil and Russia.

Danielle Watson provided details on the reopening of the municipal splash pad, noting low attendance. Denis Villeneuve noted that water testing was being completed as per direction. She provided an overview of staffing, swimming lesson and student hours.

Danielle Watson discussed the Iroquois Municipal Campground, noting a planned opening on June 29, 2020. She noted a reduction in camping spaces to

accommodate restrictions put in place due to COVID-19. A total of forty (40) sites will be available. She noted that the Iroquois Campground Building will remain closed until complete, and that Staff are applying for a partial occupancy permit to allow the Campsite Attendant use of the washroom and office area. She also noted that a welcome package is being prepared for campers on arrival.

Jeff Hyndman provided an overview of the Morrisburg Beachfront Washrooms, noting that power to the building was still offline. He highlighted that a meeting between Staff and Rideau St. Lawrence Distribution on Thursday, June 25, 2020 was planned to address providing power to the building. Danielle Watson provided pricing for temporary services. The Committee discussed options and noted that a decision will be made after the meeting with RSL.

The Committee discussed municipal beaches, noting high volumes of visitors over the weekend. The Committee discussed increased monitoring and enforcement and issues regarding waste. Danielle Watson noted that there had been users camping along the waterfront area. The Committee discussed the need to hire an additional summer student to address the waste concerns. Danielle Watson noted that bollards for the walking paths had been ordered.

Brenda Brunt noted that the lobby area was being organized and prepared to reopen to the public. She noted that an additional summer student will be required to aid with pedestrian traffic. She noted that the public will be restricted to the lobby area of the building, and not permitted onto the second floor.

CAO Geraghty highlighted that Staff had returned full time to the office, and that COVID-19 training was completed. He noted that a staff questionnaire had been completed, with minor issues raised that can be addressed. He noted that all trucks had been outfitted with a plexiglass divider. In addition, he noted that PPE and hand sanitizer were well stocked for staffs use.

Nicole Lowey noted that Building staff were tracking each location they attend to ensure public safety. She noted that patio permits were being completed. In addition, she noted that the Iroquois and Morrisburg Farmers Markets were opening this weekend.

CEMC Morehouse provided details concerning a motorcycle ride in support of first responders on July 4, 2020, noting that the South Dundas Fire and Emergency Services will be participating. He provided details regarding Canada Day celebrations and firework use.
