Winchester COVID-19 Assessment Centre Introduces New Appointment System

The COVID-19 Assessment Centre Winchester is experiencing a significant increase in volume, resulting in longer wait times. We are implementing some changes to alleviate longer than normal wait times.

As of 9:00 am on Thursday, September 17th, patients can call 613-774-2420 ext. 6814 to book their test. Patients will be given an estimated window of time to come to the Winchester Lions Hall. Our goal is to test as many patients as we can each day, recognizing the limited resources and space.

Thank you for your patience and understanding as we implement this new system. We will continue to provide updates on the Assessment Centre on the WDMH website and through social media.
